- Manual Testing
- API

## Projects

---

- **SERVE THE NATION**

**Jan 2026 - May 2026**

"Serve the Nation" is a centralized digital ecosystem designed to streamline the complex landscape of government recruitment for Indian graduates. Currently, job seekers struggle with fragmented information, delayed notifications, and the absence of a unified tracking system across sectors like SSC, UPSC, Banking, Railways, and State PSCs. This project addresses these challenges by consolidating disparate job data into a single, user-centric interface.
